WHAT IS THE REUSE PROJECT?

Got items you no longer want or need?

The **Reuse Project** takes place every year between May and September to help students donate, recycle and dispose of their unwanted items when moving out of halls and private accommodation.

Where do donations go?

Last year students moving out of halls donated 336 bags of clothes and household items to the British Heart Foundation helping to raise £4,707 for life saving research into cures and treatments to beat heart disease.

University of Brighton staff and the wider community are also encouraged to participate and donate their unwanted belongings.

New for 2024

This year the University is running a trial with the British Heart Foundation to make it even easier for students in private rented accommodation to donate their unwanted items. The trail is aimed at 657 students living on six roads in the Moulsecoomb and Bevendean area running from the 3 June to 2 September 2024 where the British Heart Donation will collect donations straight from student's doors (see page 8).

HOW TO DONATE IN HALLS

CLOTHES AND HOUSEHOLD ITEMS

The University of Brighton partners with the British Heart Foundation to ensure your unwanted items go to a good home and making moving out easy.

How it works:

1. Dig out your unwanted stuff.
2. Where possible, reuse an old bag or pick up one from reception and bag up your items, keeping food separate.
3. Drop your donations off at your hall's reception, for collection by the BHF.

What can you donate:

Yes please!

- Clean kitchenware
- Clean clothes
- Shoes
- Accessories
- Books and stationery
- Small working electricals

No thanks

- Sharp knives
- Pillows, duvets, bedding and cushions (see p.9)
- Broken or dirty items (see p.11)
- Open, fresh and out of date food (see p.7)
- General waste

Location of donation points:

- **Phoenix** – Common Room
- **Paddock Fields** – Under canopy next to office
- **Mithras Halls** – Reception
- **Moulsecomb Place** – Reception office
- **Varley Park** – Reception
- **Welkin Halls** – Bike Shed 5
- **Great Wilkin** – Reception

If in doubt, just ask at your hall's main reception where you should place your unwanted stuff. If you can, please place your donations in bags or boxes rather than loose items, as this makes it much easier to be collected.

- Phoenix Food Shop
- Bevendean Food Bank
- Eastbourne Trussel Trust
