

1. Scope

This document sets out the University of Brighton Design Archives' (UoBDA) general operational policy with regard to the supply of facsimile image(s) scanned or photographed from an original by the UoBDA for exhibition purposes.

2. Related documents

3. General conditions

The loan agreement is to be completed by both parties, the Borrower and the Lender, and stipulates the purpose and duration of the loan. Any proposed changes that affect the information provided in the form must be notified to the Lender immediately, and the loan item(s) may be used only for the purpose and duration specified in the UoBDA Loan Agreement and Exit Form: Facsimile Images form. The loan item(s) must be sent back to the UoBDA at the end of the agreed loan period without delay or unauthorised extension of the loan period. The Borrower has to bear all the costs in relation to the loan item(s) and is explicitly not entitled to lend the work(s) to third parties.

The Lender reserves the right to recall the item(s) at any time in the event that loan conditions are not being met, for instance if the loan material appears in a promotional context, in print or on the web without prior formal agreement. The borrower is not allowed, under any circumstances, scan or photograph the facsimile images for any purpose. If digital files are required, the UoBDA can supply these to the Borrower.

The Lender may terminate the Loan Agreement, or terminate the provisions of any part of the Loan Agreement, by written notice to the Borrower with immediate effect, if the Borrower is in default of any obligation under the Exhibitions and Loans Policy: Facsimile Images.

The Lender requires that confirmation of the final loan request is received as soon as possible but no less than four weeks before the first exhibition date.

4. Facsimiles

The Borrower may not reproduce, photograph, film, video, televise or copy in any way any of the loan item(s) unless given a prior written permission by the Lender. General views of loan item(s) in an exhibition, made for publicity purposes, are acceptable and may be incorporated in an exhibition catalogue, publicity or lectures.

The Borrower must not make any alterations to the facsimile image(s) supplied by the UoBDA without prior consent.

All permitted images of the loan item(s) must be accompanied by a credit line, the wording of which will be confirmed by UoBDA, as appropriate to the UoBDA's different archive holdings. Acknowledgement in the same form must also be made in any labels, exhibition notices or catalogues that refer to the loan item(s).

5. Delivery

The facsimiles will be posted to the Borrower using a signed for service where possible.

6. Expenses

All costs arising in connection with the loan of item(s) are to be met by the Borrower.

7. Display

The Borrower is responsible for all associated matters to do with the display of the facsimile or digital image in the exhibition environment.

8. Reporting

The Borrower agrees to supply the Lender in a timely fashion with printed promotional materials, visitor figures, visitors' feedback, installation shot(s), as well as sufficient other promotional information for use in the Lender's own social media and reports.

9. Review and revision

This document will be reviewed every five years or when deemed necessary.
