Mapping carbon cutting cargo bikes.

Ian Philips

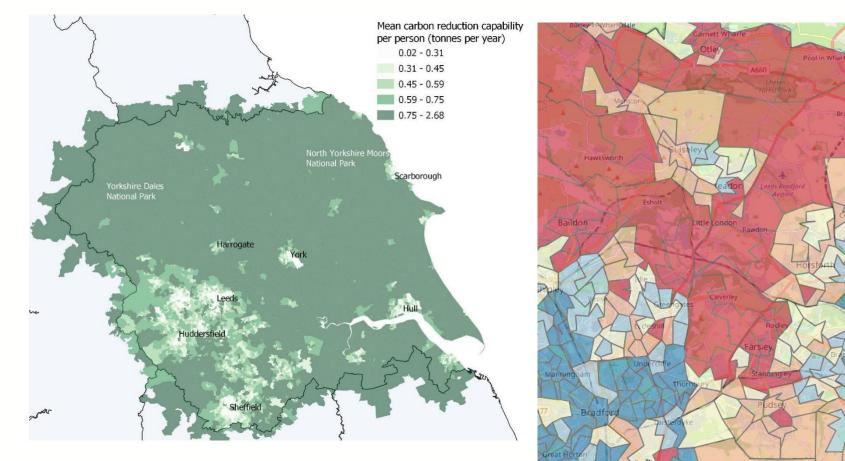

I can't go on a bike I've got to take stuff

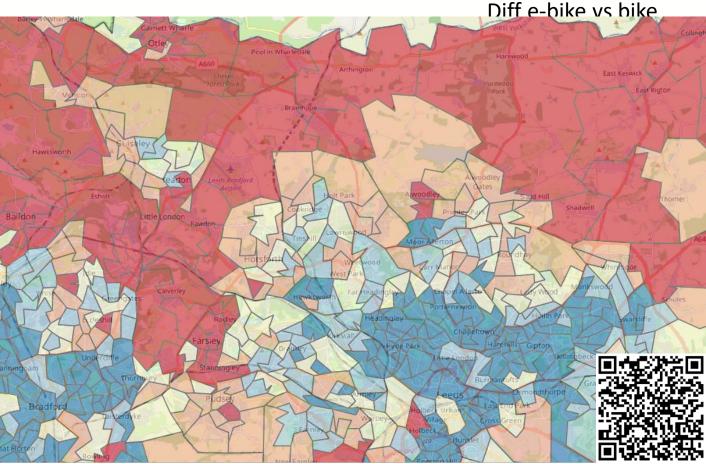

Go by e-cargo bike instead of car: E-bike carbon reduction capability

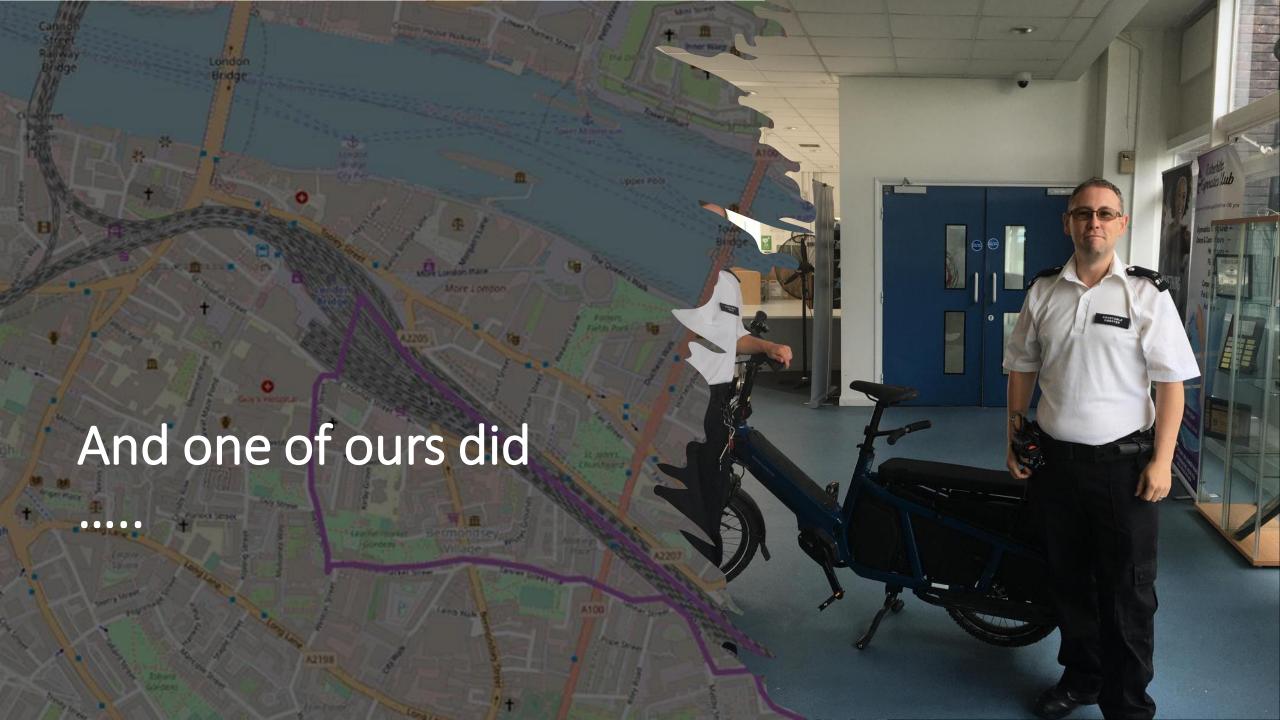

Where did the e-cargo bikes go?

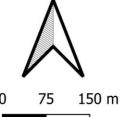

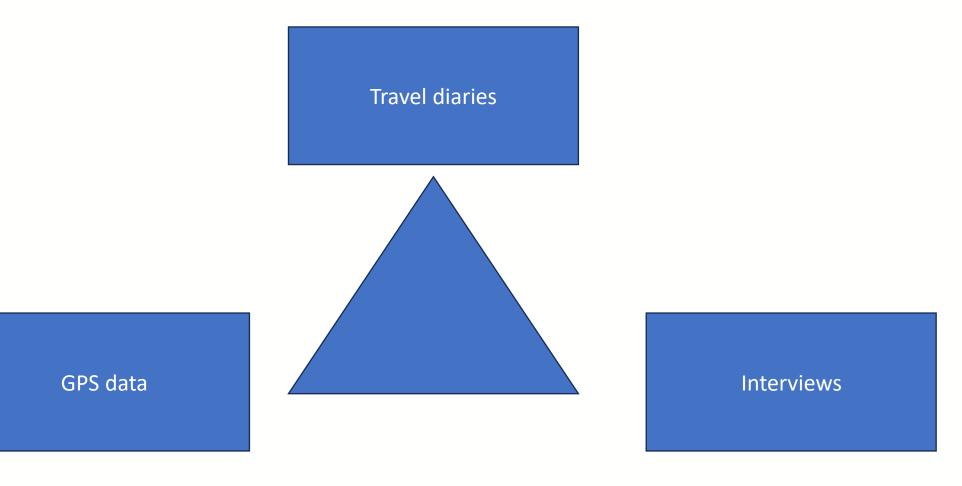

I could zoom in but

How much do cargo bikes get used (3 ways)

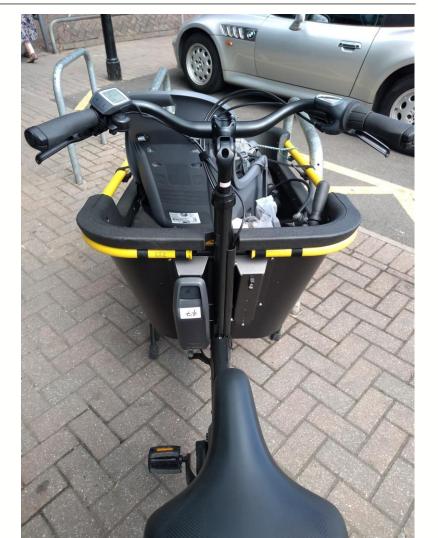

Sometimes easy, sometimes not

Participatory mapping...

Where would you like to take an e-cargo bike?

Where would be easy to park?

Where would be harder?
