

University of Brighton

Online Orientation sessions for new International Students: September 2024

Thank you for booking a place on our online orientation session!

Orientation 'lite'

Thursday 5th September 14.30-16.30 (BST) – [click here to join](#).

This two-hour session will cover the key information you need to know about life at the University of Brighton and the UK, including:

- **International Student Support:** key teams and resources for international students.
- **English Language Support:** support for academic English language, and study skills.
- **Getting involved in university life:** social events, societies, and sports activities.
- **Everyday life in Brighton:** essentials of travel, shopping, mobile phones, opening a UK bank account, and how to budget for life in the UK.
- **Working in the UK.** Find out what the work conditions of your Student route visa allow you to do, how the level and structure of your course affects the number of hours you can work, and how to apply for a national insurance number.
- **Staying safe and well in the UK:** tips for making your stay a safe one.
- **The UK healthcare system:** how healthcare is organised in the UK, how to register with a doctor in the UK, and how to access other healthcare services.

The presentation will focus on providing the basic information on these subjects, along with links to our more detailed resources to allow you to do your own research.

All presentations from these sessions will be added to our [Linktree](#). This also has a range of useful information and resources for new international students. Follow us on [Instagram](#) for news and updates! Can't attend? Email us to arrange to book on the next online orientation sessions: internationaladvice@brighton.ac.uk
