

mediastream

Mediastream is a new service which allows students & staff to upload video content to the University of Brighton streaming platform .

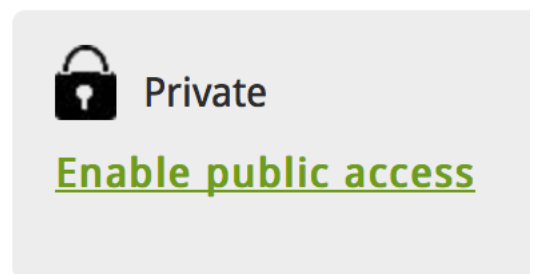

Uploading a Video

1. Open your browser and go to <https://mediastream.brighton.ac.uk>
2. Click **Login** and enter your university username and password
3. Click **UPLOAD**
4. Follow the instructions to upload your video. Key points include:
 - a. Category: Set to Personal (private)
 - b. You must tick the 'agree to Terms & Disclaimer' box to move on
 - c. Ensure when you see the final summary page you click **Finish**
5. The video will now be sent to the mediastream server. You will receive an email once this is complete. This may take up to 24 hours.

Sharing your Video

1. Once you have received your email, open your browser and go to <https://mediastream.brighton.ac.uk>
2. Click **Login** and enter your university username and password
3. Search for the title of your video, and click on the video to view

4. If you uploaded to the personal category, the video will be Private. To share the video by web address only, click **Enable Public Access**

5. You will then see a web address, which you can copy and email to submissionforssms@gmail.com
