

# NHS Muslim Network

Dear NHS organisation,

We are writing to request your support in raising awareness of the NHS Muslim Network. We are a national staff network, supported by NHS England, that aims to represent, support, and provide a voice for our Muslim colleagues, allies, and friends within the NHS.

Our vision is to make the NHS a fully open and inclusive organisation for our Muslim colleagues, without any fear of discrimination, bullying or violence.

All work undertaken by the NHS Muslim Network is in alignment with the NHS People Promise, in particular “**We are compassionate and inclusive**”.

By promoting our network, Muslim colleagues, friends and allies will have access to:

- A range of talent and leadership development webinars
- Regular members meetings
- Wellbeing support
- A range of events/celebrations
- Islamic and faith-based support

We would be grateful if you could cascade and promote our network information to your EDI Lead, HR Director, and Muslim colleagues within your organisation.
