

# EPSRC CDT in Aerosol Science Annual Conference 2022

M Shed, Bristol, UK  
Wednesday 6<sup>th</sup> July

# WELCOME TO THE AEROSOL SCIENCE ANNUAL CDT CONFERENCE 2022

Welcome back to our second Aerosol Science CDT Annual Conference, this held in-person.

The Aerosol Science CDT is now in the process of recruiting its 4th cohort of students to start their training in Bristol in September 2022. Currently, 52 of our students are in different stages of their PhD studies tackling a range of projects in different areas and disciplines such as aerosol technology, aerosols and health, and environmental aerosol.

We look forward to our students sharing more about their achievements during our Conference.

The year 2023 will see the recruitment of our 5th cohort of students. We are very excited to celebrate with you our accomplishments so far, and for you to see what it means to be part of this incredible interdisciplinary National Centre.

Our hope is that each annual conference will provide an exciting opportunity to hear about the latest research underway across the CDT.

Best regards  
The CDT Core Team

# OUR SPONSORS & TIER 2 MEMBERS

People and ideas for innovation in healthcare

**AlphaSense**

**Nanopharm**   
an Aptar pharma company

 **Kindeva**  
DRUG DELIVERY

**VIATRIS™**

 **labcorp**  
Drug Development

# LOCATION

## M Shed

Princes Wharf, Wapping Rd, Bristol BS1 4RN

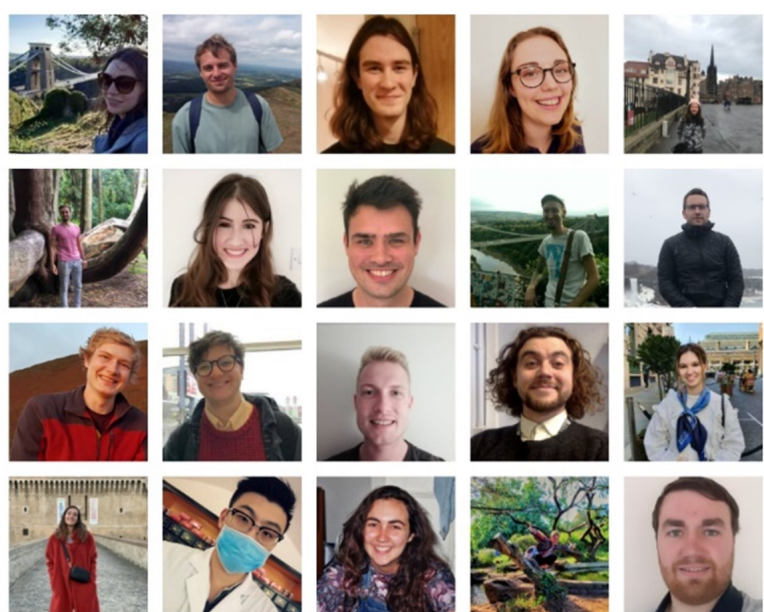

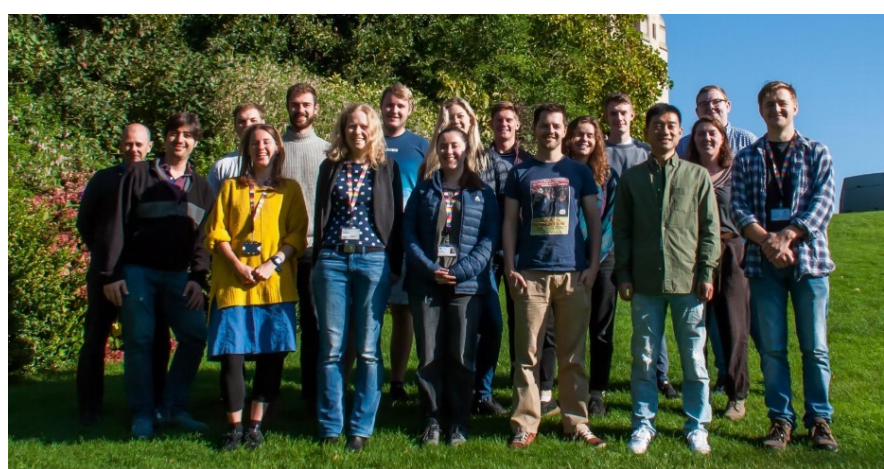

# AGENDA

## WEDNESDAY JULY 6TH
