# Engineers' House Hybrid Conference, Business Events and Blended Training Information Pack

## Testimonials:

**NHS:** "Our first 5 day intensive emergency training held at Engineers House, Video Conference Facilities were perfect and fully interactive across in room and remote delegate, you exceeded our expectations in all areas, COVID 19 safety systems are the best I have seen". AD meeting organiser (November 2020)

**T2P:** "Fantastic Blended and Hybrid facilities enabling my training courses to continue in classroom, but also including delegates that could not make the days, COVID secure as well, amazing venue" PR training programme organiser. (October 8<sup>th</sup> 2020)

**EMDR:** "Excellent Virtual facilities with 20 delegates distanced in their own 2m + bubble on site and 147 remote attendees. I thought that this would be impossible but the team pulled it off seamlessly, well done Engineers House, JH event organiser (October 1st 2020).

**Virtual Tribunals:** "Our organisation holds virtual tribunals at Engineers House on a weekly basis, taking advantage of the COVID 19 secure environment and excellent Video Conference facilities, 2 huge flat screens, 2 HDMI auto zoom cameras with 100 embedded microphone arrays in each room giving us seamless access to the cases and tribunals of the day ensuring that we are able to represent our clients in the most professional way possible. Excellent MB weekly tribunal organiser.
