

Design a sleigh for Santa

Santa has only 24 hours to make it around the world.

That is 24,901 miles, 195 countries and 78,000,000,000 people.

Your challenge is to design a sleigh to help him achieve this task.

Label your picture and tell us about all the features that make the best, fastest and most beautiful sleigh ever!

A large, empty rectangular box with a thin black border, intended for a student to draw their sleigh design. The box is currently blank.
