3. Approval of minutes for meeting of 17.10.22
4. Matters Arising
5. Feedback from Carholme Community Forum – SL
 - Sandra reported from the last CCF meeting that there will be big road resurfacing works carried out on Carholme Rd and Newland in June and July 2023. They will also dig out the drains and try to rectify the flooding issues.
 - A 4-way pedestrian crossing is to be installed on Brayford Way, at the junction near the Horse and Groom.
 - Air BnBs were identified as being unregulated within the city.
6. Meeting with Ben Jackson from City Council re bins. This was a very positive meeting. Ben has agreed to take on three bin hotspots at a time, targeting his time and effort on those. When the issues are resolved, then he will tackle three more. He will also print some more bin reminder cards for the Street Wardens. Allison St is better, but there is now a motorbike on the pavement, as well as a few bins still left out. SL to report these.
7. Litterpick feedback. Only Duncan Howells attended representing West Enders, however the day was very wet, and also it was in half term, when many families might have been away.
8. JB has been approached by someone complaining about the speed of drivers travelling along West Parade. Can now inform her that we will be having SID three times a year, Sept, Jan and May.
9. AOB
 - Mince pies and Bailey's enjoyed by all.
10. Date of next meeting: Monday January 16th, 2023, 8pm, at JA.
11. Date of AGM: Wednesday, May 3rd, 2023, 8pm at St Faith's Church Hall.
