

Level 5 Certificate in Primary School Physical Education Specialism

Level 6 Award in Primary School Physical Education Subject Leadership

New bespoke physical education and school sport qualifications for primary school teachers and HLTA's teaching PE.

This qualification will upskill primary generalist teachers to be able to deliver high quality primary school PE. Level 6 teachers will be given the expertise to lead the subject. These qualifications will be an effective use of some of the sport premium funding.

Each delegate is given a personal professional development plan and a mentor to guide them through the course. This includes working alongside you in your school.

Topics include:

- Physical development in young people
- New National curriculum for PE and Ofsted expectations
- Developing and engaging curriculum with progression and continuity
- Assessment for learning and pupil progression
- Teaching Gymnastics
- Exemplifying assessment opportunities
- Dance as part of the PE programme
- Teaching strategies leading to outstanding teaching and learning
- Exemplifying progression through gymnastics
- Strategies for differentiation
- Planning and programming units of work
- Health and Safety

Level 6 cover additional topics that include :

- Making judgements about standards of pupils' achievement in PE
- Leading sustainable improvement including vision
- Leading and managing staff including external agencies
