## Physical Education Graduate Job Opportunities

Dubai & the Northern Emirates

Competitive Tax Free Salary of approx. £42,000/€49,000

The Ministry of Education are currently undergoing a reform in Physical and Health Education. This reform has presented a range of opportunities for graduates of Physical Education, Sports Science and other related subjects.

The Ministry of Education is looking to recruit PE Teachers to deliver a high-level curriculum in all government schools across the UAE. Graduates do not need to possess an official teaching qualification as they will undergo on-the-job training whilst also receiving support and regular professional development sessions.

We would like to invite final year undergraduates, PGCE students and graduates from PE and Sports related degree courses to attend an open day showcasing these positions.

### This day will include:

- A presentation of the positions available
- Question & answer session
- Subject knowledge assessment
- Opportunities to interview for the positions

To find out more, register interest and begin the application process please visit <http://pe.moeuae.ae>

\*Please note: to be eligible for an interview on the day of events you must complete the application form online
