

End User License Agreement (EULA)

COV19-CT-DB Database for the 2nd COV19D Competition

By signing this document the user, he/she/they who will make use of the database agrees to the following terms.

With database, we denote both the actual data (raw/pre-processed) as well as the annotations.

1. Research, non-commercial and not-for-profit use

The COV19-CT-DB database is provided under the terms of this license strictly for research, non-commercial, not-for-profit purposes. The database should only be used for creating systems in the context of the 2nd COV19D Competition. The user should only use the database for the 2nd COV19D Competition. The user shouldn't use the database for any other purpose(s).

Responsibility

This document must be signed by either by a person working in the industry or by an academic, i.e., a person with a permanent position at a research institute or university (the signee). Up to seven other industrial partners or researchers for whom the signee is responsible may be named at the end of this document which will allow them to work with this dataset.

2. Distribution

Redistribution, republishing, or dissemination of COV19-CT-DB in any form, source or binary, is not permitted without prior written approval by the licensor. The user may not distribute the database or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. Note that publications will have to comply with the terms stated in article 5.

3. Further Rules

The name of the licensor may not be used to endorse or promote products derived from this database and annotations without specific prior written permission.

The licensor reserves the right to modify the data/license at any point and to terminate access to the database at any point. Modification of the database by licensees is not permitted.

5. Publications

Any publications arising from the use of COV19-CT-DB, including but not limited to academic journal and conference publications, technical reports and manuals, as well as presentations for conferences or educational purposes, must cite all papers mentioned in the [official 2nd COV19D Competition website](#) and are also stated in the email that provides details on how to access the database (sent by the licensor).

6. Duration of Access

Access to the database is granted until the end of the 2nd COV19D Competition, i.e., August 12 2022.

7. Warranty

The database comes without any warranty. The licensor cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the database. The licensor will try to prevent any damage by keeping the database virus free.

8. Misuse

If at any point, the administrators of COV19-CT-DB database and/or the licensor have a reasonable doubt that the user does not act in accordance to this EULA, he/she/they will be notified of this and will immediately be declined the access to the database.

9. Governing Law

This EULA shall be governed by and construed in accordance with the laws of England, U.K.
