

## Your practices

---

- How did you approach your reading and notetaking last week?
- What challenges did you face?
- What worked for you?

## Your practices

---

- How did you approach your reading and notetaking last week?
- What challenges did you face?
- What worked for you?

Having now listened to the lecture, what three things do you think you are going to do to help you with your notetaking and reading?

1.

2.

3.
