

# Interdisciplinary perspectives

**Friday 6th September 2013**

**UCL Art Museum**  
South Cloisters  
University College London  
London WC1E 6BT

From the aesthetics of the pastoral horizon, through mythical lands and blitzed urban spaces, to the gaping expanse between mental and physical healthcare, visitors will be taken to a variety of locations to learn about various research projects and discuss the many potential interpretations and ways of experiencing scape.
