## Moodle Template Checklist

- Add **image** (above module name)\* - max width 550px.
  - Add **module code** and **name**.
  - Add **module description** (below module name).
  - Enter **contact details**.
  - Update **How to use this course**.
  - Update **Module syllabus** link.
  - Edit and unhide the **Communication statement**.
- 
- Unhide the **discuss tab** (optional) to allow students to ask questions via Moodle and add **how often staff will respond** to the Q&A forum description.

- Unhide the **Course Materials** tab, add general files & reading list link.

- Keep the **Staff room** tab hidden and add files to share with colleagues.

- Provide an **Assessment outline**.
- Add **Assignments** for students to submit electronically.

- To each week add:
  - Headings
  - Topic overviews
  - Activities (lessons, quizzes etc.)
  - Files (grouped & labeled):
    - PDFs
    - PowerPoints
    - Word (for editable files)
    - Reading list items (?)
