

## UCL Centre for Co-production in Health Research Co-pro Cuppa sessions – July 2020

Join us for an informal natter about whatever you fancy!

To mark [#CoProductionWeekEngland2020](https://twitter.com/CoProductionWeekEngland2020) we are holding a couple of sessions. There is no formal plan, it is simply a chance to get together to share a cuppa and have a natter! Drop in for all or part of the slot, whatever works for you.

People have told us, and we also feel, that since lockdown started what is really missing is time to stop and connect with friends and fellow co-producers. So... we thought we'd provide you with an opportunity to do this!

The Co-pro Cuppa sessions will be held on:

- Monday 6 July 14:00-15:00
- Thursday 9 July 15:00-16:00

### How do I get involved?

Please email us at [coproduction@ucl.ac.uk](mailto:coproduction@ucl.ac.uk), and we will send you the joining information. You will be able to join via phone (dial in only) or Zoom video call (on a phone, tablet or laptop). Everyone is welcome! If you use Twitter please use the hashtags [#CoProCuppa](https://twitter.com/CoProCuppa) and [#CoProductionWeekEngland2020](https://twitter.com/CoProductionWeekEngland2020).

The full schedule of Co-production Week 2020 events is available on [Co-production Oxfordshire website](https://www.coproductionoxfordshire.org.uk/).

Thank you! Look forward to properly catching up! Niccola, Lizzie & Rory
