

# UCL Centre for Co-production in Health Research: The story so far....

**Key**

- Ongoing external activity
- Co-production sessions
- Centre development milestones
- Co-production projects we funded
- More info

## Our principles to live by - UCL Centre for Co-production in Health Research

All research will be based on the principles set in a Centre we're to live by.

- These are:
- Based for diversity of experience and perspective
  - Collective decision-making
  - UCL ethics in delivering public resources
  - Understanding the meaning of work learning outcomes co-production
  - Consistent for learning for all ages
  - Be accessible to your culture of all
  - Where excellence lies for all
  - Be open, transparent and honest, appropriate and real
  - Open & challenge throughout
  - Encourage innovative practice
  - Brave outcomes ensuring & sustainability

Our Allies come from UCL and our co-pro community - they check and challenge us

5 projects funded £5k over 3 months

Hearing Birdsong was created in Phase 1 and developed in Phase 2

4 projects funded £15k over 7 months

Covers the Ps of Co-pro: Purpose and Principles, Planning and Process, Power, People
