# Overview

Gobby is an online survey tool designed to communicate with employees, customers, volunteers, members... anyone really!

Traditional online surveys ask you to tick boxes to ready-made answers. But are they always relevant to you?

Gobby is unique in that people can answer freely to questions and share their experiences and ideas.

You can also view and vote for other people's answers to support group collaboration and decision-making.

# Gobby Beta Test

by Gobby on behalf of Gobby

Welcome to Gobby Beta Test engagement,

Thank you for taking the time to complete this **Gobby survey**

**Your answers remain anonymous to other respondents. However, you can still see people's answers and they can see yours!**

**Search, vote for, and create** answers simply and quickly.

In order to get the most out of **Gobby**, there are some basic **rules**:

- Be **honest** - but also constructive
- Be **concise** - one answer per line, 150 character limit
- Be **respectful** - of people and their privacy

For more information on how your data is processed please read our Terms and Conditions (link below).
