

Moorfoot PTG AGM

20 June 2023 (virtual)

Chair's report

The chair thanked parents, staff and the community for their support and hard work across the year, particularly those who have contributed to meetings and fundraising efforts, and to the pupils themselves. A great thank you and best of luck was wished to Mr Dagger and other staff who are leaving the School at the end of term, including Miss Webb and Miss Taylor.

The Chair thanks all those who attended and helped at the School Fair, which was very successful, despite the fire alarm, and noted that everyone was looking forward to sports day, the school trip, and the coming summer.

The Chair announced that unfortunately they would be standing down as Chair, and the group thanked Sarah for all her work over the past year, particularly in re-starting PTG events post-Covid.
