

YOUTH WORK

THE BIKE TENT

- Keep up to date with visiting schedule through the school office.
- Find us in the playground on Friday afternoon.
- We work with young people from all over Midlothian to ensure they have access to cycling and are able to be out in their community safely.
- This is a totally free service and will focus on servicing and small repairs of bikes and scooters that we can work with on the day.
- Advice can be given on the day for larger bike problems.
- Please contact Roderick.Murray@Midlothian.gov.uk or Stephen.Phair@Midlothian.gov.uk for more info
