

P5 Peer Presentations

Learning Intention: I can present something I have learned to the class
Success Criteria:
<ul style="list-style-type: none"> I have chosen a 'big question' that I have always wanted to know about and have researched the answer and information about it.
<ul style="list-style-type: none"> I have produced a PowerPoint or poster (or any other creative way to display learning) which will support my presentation.
<ul style="list-style-type: none"> I can speak for 3 minutes
<ul style="list-style-type: none"> I speak clearly and at a correct pace.
<ul style="list-style-type: none"> I make eye contact with my audience.
<ul style="list-style-type: none"> I have spent time making my presentation the best it can be

My BIG QUESTION:

How do dolphins communicate?

What else will I need to learn/find out? What other information will I need for my presentation?

- *Nearly 40 species of **dolphins** swim the waters of the world. ...*
- ***Dolphins** are carnivores. ...*
- *Known for their playful behavior, **dolphins** are highly intelligent. ...*
- ***Dolphins** are part of the family of whales that includes orcas and pilot whales.*
- ***Dolphins** are extremely playful and curious animals. ...*
- ***Dolphins** sleep by resting one side of the brain at a time. ...*
- ***Dolphins** use echolocation to find food and navigate. ...*
- *The "killer whale", or Orca, is actually a dolphin. ...*
- ***Dolphins** can jump as high as 20 feet*
