

Session 2022.2023

To raise attainment in Literacy

- To introduce and develop a whole school approach to writing
- To develop Read Write Inc Spelling In Primary 4—Primary 7
- To have consistent approaches in Read Write Inc across Primary 1 to Primary 3 including use of RWI Comprehension
- To use Accelerated Reader to support reading engagement in Primary 4 to Primary 7
- To revisit our learning environments in our Early Level classroom settings
- To have an Attainment Teacher in place

To review school approaches to Equity, Inclusion and Nurture

- To further develop staff knowledge in nurturing approaches
- To have a nurture room established in school with a teacher and learning assistant in post
- To ensure we have a whole school communication approach using visual supports for all learners

To develop Digital Technologies to support Learning, Teaching and Assessment

- To develop all staff's knowledge of Google to support learning
- To participate in the Digital Schools Award
- To use Seesaw consistently across the school to share learning with our families
- To develop our approaches to computer science across the school
- To teach core digital skills to support learning in other areas
