

Dear Gorebridge Families,

It has been another busy and exciting week in school.

This week's eNews includes:

- Maths Week Scotland
- BOATS Information
- Challenge Poverty Week
- PTA Halloween Disco
- Dates for your Diary

### **Maths Week Scotland**

This week, pupils from nursery to Primary 7 have been taking part in Maths Week Scotland. P6 and P7 pupils helped to plan and arrange the week and set us all off by showing a video they had made of people from our Gorebridge community talking about how they use maths and numeracy in their jobs and daily lives. Pupils in P6 and P7 visited nursery, P1 and P2 pupils to read them stories and ask them some maths and numeracy related questions. This was hugely enjoyed by everyone involved. Each class also participated in a STEM activity where they reflected on the maths and numeracy skills which they had used to complete the task. It has been fantastic to hear so many positive comments from staff and pupils about how they use maths and numeracy. We shared our learning at today's assembly. We are all looking forward to sharing this enthusiasm during our BOATS session.

### **BOATS**

Bring our Adults to School - Join your child on the 8th October to share in their learning in numeracy.
