

ROSLIN PRIMARY SCHOOL

Nursery Opening Times

From August 2014 the statutory hours for Nursery increased to 600 hours a year for all 3 and 4 year olds. The session times are as listed below. In order for us to provide quality experiences in each session, we would kindly ask that children are brought to nursery as punctually as possible and in particular, collected sharp at the end of the session.

The first and last 20 mins of each session will be drop off and collection times, to allow parents/carers with children at Primary School to manage their arrangements more easily.
