Dear Parents and Carers

P5, P6 & P7 Charades Presentation – The mould that changed the world

As previously advised, we are unable to have our P5-7 classes perform Charades to their families on 6th April. We have instead arranged for two performances to be filmed and edited by a member of Midlothian Council's Digital Learning team. This recording will be uploaded to the Council Vimeo account and we will provide you with a password protected link. The link and password should not be shared on social media. Please complete the attached Midlothian Council permission form which states that you agree with their conditions.

Charades Theatre Company have also requested to record the performance and I attach their permission form.

Both forms ask for different levels of permission to be given. Parents are free to sign both, one or neither.

Can these please be returned to the school office no later than Monday 28 March.

Kind Regards

Clare McCallum
