

Whole School Information:

Article of the Week - week beginning 22nd April the Articles of the Week are linked to Earth Day. Earth Day takes place every year on April 22nd to show support for the protection of the environment and our planet.

Article 6 - Every child has the right to life, survival and development

Article 24 - Every child has the right to the best possible health

Primary 7 Prom - a whole class photo will be gifted to the children at their prom. Please contact the office if you would **NOT** like your child to be part of this photo before the end of next week (Friday 26th April).

Developing the Young Workforce - at the end of our summer term (week beginning 17th June) we will have a Developing the Young Workforce week in which we would like some of our parents and community members to come into school to talk about their careers and jobs. We know we have parents with a variety of different and fascinating jobs that would inspire our children to learn about, so would be thrilled if you were able to offer some of your time to share what you do. If you are interested, please email the school office with your note of interest.

Pupil volunteers - we are delighted to welcome three secondary students to our school next week for work experience placements. They will be working in classes across the school supporting our children and gaining invaluable career experience.

Class Information:

Tuesday 23rd April - ELC Childsmile visit

Friday 26th April - P1 Visit to New Woods
