PARKING

Dear Parents / Carers,

At Tynewater Primary School, we have established a drop and go system to reduce congestion in surrounding areas, ensure safe use of the school car park and help families at these busy times of the day.

Drop-Off

We must prioritise bus access to the school, so 'drop and go' (in the bus bay) opens at 8.35am once the buses have left the car park. This is a single file 'drop and go zone' for parents whose children are able to exit the car and go into the playground independently. All children must exit the vehicle on the left – onto the pavement and it is imperative that this space is not used for parking.

Please do not double park in the car park and block cars into the bus bay. Instead wait in line for your turn to enter the drop and go zone.

Pick-Up

The school day finishes at 3.20pm and at this point, the buses will be in the car park during pick up time. Please wait in single file behind the buses and do not double park or block them in. There is space behind the buses for at least one car to pull in at a time to collect children before moving past to leave the car park.

Disability Bays

We have two Disabled Parking Bays in the school car park. If you are a Blue Badge Holder, please use these bays.

Parents who need to park

If your child is unable to use the pick-up/drop-off zone independently then please see attached map which indicates safe places to park and stride.

As always, we would encourage our families to walk whenever possible.

Kind regards

Louise Ferguson
