

Midlothian Council - Photography/Video Consent Form

Midlothian Council often uses photographs and video to document events across our 800 services, including schools, community centres, sports centres and other facilities.

These photographs and video are used in a number of ways, including posters, leaflets, exhibition materials, reports, the Council and school websites, articles in the Council's newspaper Midlothian News, and articles in the local and national press.

We also occasionally share our photography and video for use for promotional purposes by trusted or affiliated third party organisations. This is done on a non-chargeable basis, and the Council will vet use of these images where possible.

Please sign below to confirm that you consent to photographic/video footage of you or your child being used as outlined above. In relation to a child under 12, only the parent/carer needs to sign.

This consent is for the duration of your child's attendance at Tynewater Primary School. Should you wish to withdraw consent at any point, please contact the School Office.

Please tick your preference and complete the details below.

I consent to the above

I do not consent to the above

Pupil Name: _____ Class: _____

Name of parent/carer: (please print): _____

Address: _____

Signature of parent/carer: _____
