**Seesaw**

This year we will be using Seesaw (<http://seesaw.me>), a secure online journal where students can document and reflect on what they are learning in class. Your child is able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you and other family members throughout the school year.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise, create profiles of students, share or sell your child's personal information or journal content. You can read more about their privacy promises here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

I hope that your child will enjoy using Seesaw to document and share their learning this year. Please sign below and return this permission slip so that your child can start using Seesaw as soon as possible. This permission will be kept in school and used for the duration of your child's schooling. Should you wish to withdraw consent at any time, please contact the school office.

Please sign below and return the form.

Kind Regards

Louise Ferguson  
Head Teacher
