

# Rugbytots Midlothian Scholarships

## About Rugbytots

Rugbytots is a specifically designed play program using the multiple skills of Rugby to create a fun and enjoyable environment whilst developing basic core motor skills.

The game of rugby promotes a wide range and varied number of skills which are transferable into the majority of sports and walks of life.

The program has been designed to develop a child's physical, psychological and social attributes, as well as gently encouraging rugby specific skills such as running with the ball, finding space, kicking, catching, scoring a try and much more such as learning to play as part of a team.

### Scholarship application process:

Applications will be open from **1st October 2024** to **31st October 2024**
