

Halloween Parties 2024 (Tuesday 29th October) - Timings, Pumpkin Carving Contest and Prize for Best Dressed

Not long now until our Tynewater Halloween parties on Tuesday 29th October! Thank you so much to everyone who has volunteered to help, your support is so much appreciated and we couldn't do it without you. We now have enough helpers and will be in touch by email with you all. Just a few things to note:

- 🎃 Children can bring a carved pumpkin and there will be a prize for the finest carving! Please only bring artificial tea lights.
- 🎃 There will be a prize for the best dressed at each party. Please no fake weapons e.g. knives.
- 🎃 Children will need to be dropped off at the start of the party:
 - P1-P4: 6pm
 - P5-P7: 7:15pm

There will be a sign-in sheet and we will take details of collection for each child, please do not leave until you have provided a contact name and number for collection. There will be plenty of parent helpers on the door to ensure this process is thorough. Your child will be handed over at the main school door at the end of the party, and this will be well supervised. Each party lasts for one hour.

We will have a box at the entrance for a suggested voluntary donation of £2-£4 per child to cover costs of the party.

Thank you all - we are looking forward to having lots of Halloween fun! 🎃 🎉
