Midlothian Council

4th October 2024

Dear Parents / Carers,

As you may be aware, our Primary 7 class were planning to visit the Risk Factory at the end of October. Unfortunately, we will not be able to attend this trip and instead Primary 7 will go on a different excursion, link to their learning this year. Our P7 teachers are already considering what this will be.

The cost paid for the service the Risk Factory offer is fixed for Midlothian Council. Unfortunately other schools have dropped out from attending this year which has meant that the price for those schools still wishing to participate has become too high to be feasible. As a result, the decision has been made by the local authority that Midlothian schools will not attend.

I understand that this may cause some dismay for children and families however would like to reassure you that we are already looking into alternative opportunities and will work to ensure that pupils will still learn the knowledge and skills to manage everyday risks as part of their Health and Wellbeing curriculum.

Should you wish to discuss this further, please contact me on our usual channels – via email or phone call, through our school office.

Yours faithfully

Louise Mitrakas
