

Early Years and Primary

Learning with and through digital technology

Grab and Go 3: Speed It Up, Slow It Down!

I am developing my movement skills through practice and energetic play. HWB 0-22a

You will need
these apps:

Try This

- Stand in a good space with your partner
- Make sure you won't bump into anyone!
- Open the Camera app on your iPad and tap SLO-MO
- Make sure you can see all of your partner's body on the screen
- Place your elbows by your sides to keep the iPad steady
- Tap  to start recording
- Ask your partner to jump up and down ten times!
- Tap the red button again to stop recording
- Open the Photos app and watch your slo-mo video together!

Go Further!

Get some bricks, blocks or boxes ready for you and your partner to use

Use the stand on your iPad to set it up in a safe place nearby

Open the Camera app and tap TIME-LAPSE

Make sure you can see the blocks on the screen

Tap  to start recording

Get building! Create something amazing with you partner!

Tap the red button again to stop recording

Open the Photos app and watch your time-lapse video together!
