Open the close reading activity assigned by your teacher.

The first part of the activity is to use the text to speech features.

Place your cursor at the start of the text and press play ▶

The text will be read aloud. Use the pause and stop features when finished.

[Read&Write Close Reading: Facts about Scotland](#) 
Fabulous facts about Scotland

Scotland is a country in Europe and is part of the island of Great Britain (Europe's largest island) alongside England, Wales and Northern Ireland.

This lush beautiful country is bursting with green spaces, lush forests, towering mountains and vast lochs.

With so many habitats, there's plenty of fascinating wildlife to see in Scotland. You'll find river dwellers such as otters, salmon and trout and red squirrels and birds.

Many animal species are protected in Scotland and there are two National Parks - the Cairngorms National Park and Loch Lomond & The Trossachs National Park - as well as numerous beautiful nature reserves that have been set up to protect the land and the wildlife that
