

# Grab and Go 2: Writing & Sharing Audio with Read&Write

Using digital products in a variety of contexts to achieve a purposeful outcome. TCH 0/1/2-01a

## Key Skills:

Creative

Inclusive

Independence

Learning for All

## Try This

Ensure Read&Write is open - if not, click the purple puzzle piece icon.

Give your Google Doc a title called Interesting Facts.

In your own words, use the Predictor tool  to write down 10 interesting facts about yourself. This could be about your favourite food, hobbies or interests.

Remember to use the Prediction tool as a spelling word bank and hover over the words to hear them before making your selection.

## Go Further

Let's share our learning!

Once you have completed your work use the play button  to listen to your work back. Make any changes if required.

Highlight over your work then click Audio Maker  your work will automatically convert to an audio file saved within your Google Drive.

Find the audio file within your Google Drive press play and share your work with the class.

Unlock more Read and Write skills via the Equipped for Learning website

**TIP:** Open the Camera app on your iPad and point it at this code to watch short videos on the Read&Write tools.
